- a glimpse into the world of work of physical scientists

- listening to a lecture for first-year university students, visit to a laboratory

Student Engineering Academy at Frankfurt University of Applied Sciences

- advanced technology course (electronics, construction /CAD design)

- career perspectives in engineering- advisory service at employment agency

- career counselling sessions at ASS

- info day on available scholarship programs- half day presentation of work placement experience
and tips about choosing a place to year 9 students

FINAL YEARS BEFORE ABITUR

career choice seminar at Offenbach Chamber of Commerce

trips to career choice fairs and university trial days

info day about available scholarship programs

student engineering academy at the Frankfurt University of Applied Sciences

- advanced technical training course (Environmental Technology and project work)

- career perspectives in engineering

GENERAL

Student career counselling	Mr Quirnbach
Counselling service at employment agency	Mrs Wold
Individual consultation counselling on course of study and career choice	Mrs Bulian
OloV- Coordinator	Mrs Tsatsa, Mrs Ivan
Scholarships	Mrs König
E-Mentoring program "Cyber Mentor" for girls year 6 up to Abitur	Mrs Segeritz, Dr Prohaska

INTER-GRADE projects

Online student paper	Mrs Ivan
First-aid service	Mr Peterson
Light and sound group	Mrs Löwenstein, Dr Biccari
Cafeteria and school canteen	Mrs Licitar
Homework support	Mrs Block
Toys and Games at recess	Mr Camacho
Contact to retirement home	Mr Gutjahr
Brückenschlag (arts project)	
Student arts project	
Big Pal mentoring program (years 9 and 10)	
Cooperation with local primary and comprehensive school	
ECDL- European Computer Driving Licence
