

### **E-Phase Rdo**

- 1) Get informed about plastic and write down the most important facts about it (take notes). (Pathway p. 173)
- 2) Read the Text “Message in a Bottle? – Plastic, Pollution& Progress” (p.168/169) and do task nr. 2a (answer the questions).
- 3) Discuss the pros and cons and possible benefits of plastic (help: p. 171 nr.8 and 9). Write 150-200 words.
- 4) Make a list of new vocabulary (DINA4, topic: plastic). Write down the new word and use it in a sentence.

Note: Please remember to write a short comment on the movie “Plastic Ocean”. Do not forget to measure your ecological footprint (website WWF) either.

Most important: Stay healthy!
